Quilt Project

In 2009 we reached our goal of 400.

Can we reach the goal again in 2010?

Our goal each year is to provide each young boy going through the program at Ettie Lee with a quilt. The quilt is to remind these boys that someone cares about them.

Up to 400 quilts are needed each year.

Fabrics can be:
Cotton Blends
Flannel
Fleece

Handmade or purchased twin size quilts approximately 65 x 90

Remember to use "boyish" prints and colors.
